Apiary Medical Inc. is the largest distributor of the gSource brand of surgical instruments. Every gSource instrument is superior OR grade, made from German stainless steel and backed by a lifetime warranty. In addition, Apiary Medical stands behind every instrument with a one-year 100% complete satisfaction guarantee.

- Superior Quality—99% of Instruments are handcrafted in Germany with 1% made in the USA or Poland. All are manufactured to perfecting standards to withstand the most demanding OR surgical procedures.
- Outstanding Customer Service—knowledgeable and responsive, we strive to provide a level of service that exceeds expectations.
- Wide Product Selection—a full range of general instruments with a special emphasis on orthopedic, spinal and podiatry. Unique patterns and custom capabilities provide surgeons with more options to achieve successful outcomes. 4,000 patterns in stock.
- Low Prices—unlike large companies, our small overhead allows us to offer lower prices for instruments of exceptional quality. Our instruments represent an excellent value.
- Since 2004, Apiary Medical has supplied more than \$11 million in hand-held surgical instruments to 1,150 hospitals and surgery centers across the United States.
- Medical facilities have trusted us to supply single line items of urgently needed instruments overnight as well as complete sets for OR expansions.
- All instruments can be supplied with a Censitrac® barcode.
